Dear Virginia:

I have done nothing about that Minnesota outline. This will be an extremely busy time until after the two boys graduate. Yesterday I worked over my Commencement speech for Clear Lake.

Mother had a very happy day at the Opera. She tells how good Dick and Wy were to her. I am glad Wy has the job on the St. Cloud Times. It is a good paper and a good spot to be promoted from. I think Mr. Schaelkopf will be very helpful too. Of course Better Homes & Gardens would be preferable but I don't give him more than an outside chance at that. I am also delighted to hear that Dick has the Dupla territory. Charles won the 440 in the Minn-Teachers College meet - time 52:8 I saw the race. Charles is a fine athlete. He went to Beundji with the Tech track team but did

not get a chance to run.

Last night Charles took his girl to a dance and Ned went to De Holiday. In the afternoon I worked in the garden. I have planted squash, cucumbers, beans, corn, lettuce, radishes, Lima beans. Before long I must plant peas, beets and many tomato plants.

Love

Daddy.
